5 reasons to get started now

The choices you make today will help you prepare for what you'll need tomorrow. Take advantage of your employer's retirement savings opportunities, and plan ahead for the kind of future you envision.

- 1 You're always in control**
The choices you make about your contributions and investments are up to you. And you can easily make changes any time online, on the phone or with the Voya Retire mobile app.
- 2 Save automatically**
Your contributions are automatically deducted from your paycheck, so it's simple to set a little aside each pay period.
- 3 Help lower your taxable income**
Every dollar you contribute before taxes reduces your current taxable income. That's more money working for you. Remember taxes will be due upon withdrawal.
- 4 Invest your way**
Would you prefer to make investment elections yourself or would you appreciate having some guidance? No matter what you decide, we offer investment solutions that fit your style.
- 5 Remember, your money is all yours**
Your contributions and related earnings are always yours.
